### **1. Loving the Daughter of a Father**

To the Daughter...

Dont abandon those whom

You love

Even If You abandon those Who

Love You

Life holds more than what is seen

By You, Them and Me

Let us be independent now

Indexed, Peer Reviewed & Refereed Journal

You, they and Me

But let us make our hair Gray

Together

They see the world through Us

We can b a better Us

They expect so

The Old fighters

Who fought for us

Fighting even now

Why dont u tell them to stop  
the bloodshed of themselves?

Your blood is to be shed for  
Those whom u love...

## **2. Vatican baby**

The giant became a baby  
Is sleeping  
dreaming of homosexual union  
When the world burns  
Who is your neighbor ?

When you wake up  
want to tell you that  
Religion is born again  
In a pool of blood  
shooting open the veins  
of violence

What would have Jesus done?  
I want to ask you....  
I wish to wait for you  
Until you wake up...  
But i feel the pool will engulf me  
before you wake up  
from your wet dream....

## **Boko Haram**

Western education is forbidden  
Then what is there?  
The jungle beast prying together?  
The children of hatred  
Modeling a hell with religion  
Are we going back?  
to the monkey Patriarch and his sons?  
Yes I remember They were killed by God..  
One with life and the other with life...  
Spilled and frozen

Yes I know what you want  
What you are going after  
Searching beyond the ship  
The mutiny of the slaves

You are blank  
You are hollow  
But everyone are

(Boko Haram killed more than 5,000 civilians between July 2009 and June 2014)
